until the present time there have been seven stages of united states expansionism from the federal unification of the original states to the new world order planned by us led commercial elites before and after 1989 extrapolating both from the author s distinctive reading of history and the evidence of president obama s own speeches and actions the secret american dream proposes that the us now faces a new eighth phase of expansion in this the traditional american dream of peace social order and prosperity would be extended to all humankind this ambitious plan little known and understood outside president obama s inner circle would involve the creation of a benevolent world state initiated but not dominated by the united states the secret american dream suggests that the first step in establishing the world state a supranational authority with legal powers to abolish war and nuclear weapons would be a visit by the us president to the un general assembly requesting a world constitutional convention under the president s proposals the existing un general assembly would become an elected 850 seat lower house alongside a new world senate and an executive called the world commission a senatorial world openness committee would control the world s commercial elites and harness their positive skills and energies founded on altruistic and philanthropic principles the world state would bring global peace

disarmament and the opportunity of prosperity to every individual on earth the abolition of war and nuclear stockpiles would remove the threat of nuclear war and the possibility of ex soviet nuclear weapons falling into terrorist hands it would also create a peace dividend of nearly us 1 5 trillion per year which could be spent on eliminating world poverty disease and famine on guaranteeing financial instability and a minimum income for all and on solving energy and environmental problems initiatives by president obama in a range of areas such as his recent nuclear disarmament deal with russia show that he is already taking steps to implement this secret american dream

chemical biological radiological and nuclear cbrn terrorism and the war on terror are major features of international relations and global concern terrorist threats and actual violence have become increasingly dangerous and lethal since the 1970s however the attacks on the world trade center and the pentagon on 11 september 2001 heralded a new era in terrorist action and were the culmination of a terror campaign against american targets world wide the changing face of terrorism evaluates the continuing threat and counter measures since 9 11 and into the 21st century it is a sober and measured evaluation of the cbrn threat and argues that continuing terror attacks are inevitable and the war on terror will be a continuing feature in international politics and military action benjamin cole shows how effective counter terrorist measures must be measured and based not only on effective police and military intelligence and action but on careful evaluation of the politics motivations scientific and technical abilities of groups no terrorist group has made a nuclear device and religious and personal motivation
